

Statement on Police Security Protection Act

August 1, 2007

Mr. Speaker, I am pleased to help America's law enforcement officers by introducing the Police Security Protection Act. This legislation provides police officers a tax credit for the purchase of armored vests.

Professional law enforcement officers put their lives on the line each and every day. Reducing the tax liability of law enforcement officers so they can afford armored vests is one of the best ways Congress can help and encourage these brave men and women. After all, an armored vest could literally make the difference between life or death for a police officer, I hope my colleagues will join me in helping our nation's law enforcement officers by cosponsoring the Police Security Protection Act.
