

Congressman Paul Ranks #27 in House GOP

March 3, 2008

For immediate release

Washington, DC - Knowlegis released the 2008 Congressional Power Rankings today on Congress.org marking the fourth edition of the Power Rankings, which compiles more than 20 objective criteria measuring power in Congress.

Knowlegis ranks Congressman Ron Paul #27 out of 200 House Republicans. Among the criteria that garnered this standing were his Ranking Member status on the House Financial Services Committee, tenure and influence.
